

PARKING AT BSAK

There are plenty of paid parking spaces around BSAK and these are indicated in **blue** on the map. Standard authorised parking around the School is marked with black and blue lines. If you park anywhere else, you run the risk of being fined.

There are **no ticket machines** around BSAK and therefore many parents and staff use a Parking App. Examples of these are UAE Parking or Mawqifi, which enable payment via credit card or your Etisalat / Du mobile number.

Please note that BSAK does not have jurisdiction over any parking places around the School. If you are using a pre-paid phone card - don't forget to make sure it has sufficient balance.
