

# HIGHLIGHTS OF OUR SIXTH FORM

Our outstanding results and extensive co-curricular programme put us at the forefront of British Curriculum schools in Abu Dhabi, a leadership position that we have maintained for nearly 50 years. Here are some reasons why our students choose to study with us:

## 1. OUTSTANDING EXAMINATION RESULTS

We consistently achieve outstanding academic results and our students go on to the most academically selective universities and competitive courses around the world.

## 2. WELCOMING COMMUNITY

Our new students tell us that our Sixth Form Community is so inclusive that no one feels left out. With over 220 students, 26 nationalities and a lively weekly programme of team building events, new students integrate quickly, make lifelong friends and quickly feel at home. Our experienced staff offer exceptional pastoral care through small tutor groups and specialist careers and university provision.

## 3. SPECIALIST COURSES

September 2021 will see the exciting introduction of 3 new BTEC Subsidiary Diploma subjects which include Creative Media, Science and Music Production. These qualifications are the equivalent to one A Level and can be combined with A Levels or the BTEC Level 3 Diploma which we offer in Business, Sport and Engineering.

## 4. UNIVERSITY AND CAREERS GUIDANCE

We have a full-time University and Careers Advisor providing dedicated support to our Sixth Form students. The vast majority of our students achieve their first or second choice of further education in their chosen field, and our Alumni are studying in the most prestigious universities around the world. Destinations include Oxford, Cambridge, Durham, LSE and Imperial in the UK; Harvard, Yale, MIT, Cornell and NYU in the US.
