Nominee Details:-

1. Number of children attending the School
(It is not a requirement that governors elected by parents are themselves parents) 2 in year 7
2. Number of years lived in Abu Dhabi Over 10 years
3. Length of expected stay in Abu Dhabi As long as circumstances allow for it
4. What aspects of the School's affairs particularly interest you?

FISCAL AFFAIRS, REGULATORY GOVERNANCE AND RISK MANAGEMENT

5. What contributions do you feel you would be able to make as a Governor?

In my current tenure as a Parent-Elected Governor, I have gained a strong understanding of how much work and commitment goes into keeping BSAK Outstanding. I initially served on both the Education Committee and the Finance & Risk Committee, but I later chose to focus solely on Finance & Risk where my skills and experience could add the most value. This shift allowed me to contribute more meaningfully and understand the school's operational and governance needs in greater depth. In my current role as Director of Financial Operations and Strategic Initiatives at New York University Abu Dhabi, I work closely with academic and administrative teams, which helps me approach Board discussions at BSAK with a practical and balanced mindset. I prefer to fully understand an issue before sharing my view, and this has allowed me to support the Board's direction in a thoughtful and constructive way.

If re-elected, I would continue to support the Headmaster, SLT, and the Board with greater commitment and care. As a parent, I take this responsibility seriously because strong governance directly impacts our children's experience, opportunities, and long-term success. I remain committed to playing my part in helping the school continue to thrive.

Please note -persons employed by the School, or whose spouse is employed by the School, will not be eligible to serve as a member of the Board of Governors.
