

NOMINATION FOR ELECTION AS GOVERNOR

I am a resident of Abu Dhabi and wish to be nominated for election by parents, to serve on the Board of Governors of BSAK.

NAME Nicolas Heard

PROPOSER NAME Mohammed Alotaiba

SECONDER NAME Francis Field

Nominee Details:-

1. Number of children attending the School
(It is not a requirement that governors elected by parents are themselves parents) Three
2. Number of years lived in Abu Dhabi Over 40 years in total
3. Length of expected stay in Abu Dhabi Unknown/long term
4. What aspects of the School's affairs particularly interest you?

The school is able to achieve excellent academic results, whilst ensuring that the children receive a holistic education - strong music, arts and sports. The community-centric ethos of the school is crucial as a bridge between Abu Dhabi and the UK. The strength and engagement of the staff in community involvement ensures that BSAK remains at the heart of Abu Dhabi.

5. What contributions do you feel you would be able to make as a Governor?

My wife and I have been associated with the school since 1980 - we were both pupils at the school, and now have three boys at the school who have been there since nursery. For the last 16 years I have been working in the non for profit sector in Abu Dhabi at a philanthropic foundation, and this has helped me in my role as a governor for the school over the past 6 years - 3 of those as the Convenor of the Education Committee.

My contributions would relate to a sound understanding of the non for profit sector in Abu Dhabi, long term involvement with the broader BSAK-associated community and to further develop Board support to the BSAK staff. Furthermore, the experience I have gained through time as a governor would help me work for the benefit of the school in the coming years as it builds on educational successes.

Please note -persons employed by the School, or whose spouse is employed by the School, will not be eligible to serve as a member of the Board of Governors.
